Made in Italy

PANGEA

UNBREAKABLE

FIBER_composite

MICROWAVE SAFE

MELAMINE_free

BPA_free

Da anni Omada studia le proprietà e le innovazioni dei materiali, cercando, e trovando spesso, applicazioni inedite e vincenti, portando anche un materiale all'estremo delle sue potenzialità tecniche ed espressive. Questa ricerca ha prodotto come risultato gli articoli Pangea, i quali sono indistruttibili, riciclabili e privi di BPA.

Omada has been studying the properties and material innovations for years, looking for, and often finding them, new and successful applications, bringing a material to the extreme of its technical and expressive potentiality. This research produced Pangea items as a result, which are unbreakable, recyclabe and BPA free.
